

Work to do at home

If we have to close the school due to poor weather, we want to make sure you have the option of doing some work at home with your children. Our school website, www.glapton.com has links to excellent sites on the internet. Click on the **useful links** tab. Alternatively, you may want to undertake some paper and pencil activities with your children.

Here are some ideas of tasks that you could do.

Write a diary entry

Remember the date and to write it in first person.

What have you done today?

What did you see? How did you feel?

What was the best part of the day?

Read a book

Can you read to your Mum or your Dad?

Can you read to a younger brother or sister?

Write a book review

Can you recommend a book to someone else? What is it about?

Who are the main characters?

Who would you recommend it to?

Paint a picture

Can you paint a picture in the style of a famous artist?

Can you paint a snowy scene?

Tell a grown up about the picture you have made.

Design and make a healthy lunch

Can you make sandwiches for everyone in your house? What will you put on them? How will it be healthy? Can you take a photo of it?

How many marks out of 10 did each person give you?

Make a shelter

Can you build a shelter to keep warm and dry in the snow? It might be out of lego, or other things you can find in your house.
