Shaniah: Before big day occurred, we had to write letters to the members of staff we were going to be shadowing to see if it would be possible for us to complete Big Day. Here are some of ours letters (Rebecca + Olivia)

Josh B : After we had given the staff the letters, we then went to ask them some questions about their job and lifestyle as an adult. These are some of the questions and answers we were given.

Kathryn : I asked Mrs Smith did you want to become a teacher when you were a child, if not what did you want to be? She answered no, I wasn't sure what I wanted to be.

Becky : I asked Miss Anakin what made you want to become a teacher? She replied I really like working with children.

Paige : I asked Mrs Shepherd what time do you start and what time do you leave? She starts at 8:30 and finishes at 3:45pm.

Jake: Before Big Day, all of us had mixed emotions some of us were nervous, scared, excited and maybe a little bit shy.

Sakara: After we had achieved our challenge, we were proud, ecstatic and we had a brilliant time.

Rebecca: Through out the day in Mallards, I completed a majority of jobs including: reading a chapter from a book, teaching numeracy, helping the children improve boring sentences and during the afternoon I helped the children design their own coat of arms. Then to end the day we played a few games of heads down thumbs up. In conclusion, I had a fantastic day in marvellous mallards!

Maisie: during the day, we learned many different skills such as how to make children listen to you and how to earn respect to mention just a few.

Kyra: This experience has helped us by letting us realise what is involved in an adult life and job and the different roles everyone plays here in our school.

Shaniah: We all enjoyed having a break and a refreshing cup of tea or coffee at break.

Jak: We created our own Application Forms and tried to sell our selves whilst applying for a job in the real world. Here are some of ours..... (Charlotte- Hobbies and Interests, Personal Statement- Sakara and Maisie)

Josh G : Thank you for listening to our class assembly, we hope you enjoyed it!
