

An extract from Becky's bucket  
by Charlie Evans Stags.

The next day, Becky was up and ready before ten am. She gripped her siblings' arms and dragged them out of the house. Becky filled with joy as they entered Buckety Buckets, there was buckets of buckets at Buckety Buckets rubber buckets, garden buckets, plastic buckets, metal buckets, farm buckets, builder buckets , sea side buckets and even football buckets.

“What time of bucket are you looking for?” asked Becky sister.

“I'm not sure, but I will know when I see it “Becky replied .Finally Becky saw it.

That's the one “she said filling with joy “19 shelves up 78 long from the left.” They all look the same to me” said the shop assistant. “No, that's ones special said Becky exitidly.
